Education

2000 - 2005	Lodz University of Technology Faculty: Technical Physics, Information Technology and Applied Mathematics Institute: Information Technology Specialization: Computer Graphics and Multimedia
-------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

1995 - 2000 | Electronic Secondary School in Piotrkow Tryb.

Languages

English | Good

Polish | Mothertongue

Deutch | Flau

Computer Skills

Operating systems | Unix(FreeBSD, HPUX), Linux(Debian, Gentoo).

Developer
Environments | Emacs, Vim.

Programming
languages and
technologies | Python(asyncio, typings), PostgreSQL, Golang, Rust,
Rabbitmq, Redis, TimescaleDB, C++, Perl, Haskell,
C, Java, MySQL, Oracle, PLSQL, UML, Spring,
Hibernate, J2EE, Darcs, Git, CVS, Subversion,
Erlang(basics).

Interests

Technology, Open-Source, Programming.
Excelent books . I'm very curious how everything works.
And so I like DIY a lot.
